Dear Commissioner Gendron,

Please find enclosed a portion of the Glenburn School Committee meeting minutes of 2/26/08 reflecting action taken with respect to the formation of an RSU with Orono and Veazie. Based on my previous conversation with Norm Higgins, this action by the Glenburn School Committee was necessary to clarify and reinforce Glenburn's commitment to the aforementioned formation.

We will be hosting the next formal meeting of the joint RPC in Glenburn on Thursday, February 28. Mary Jane McCalmon will be facilitating.

Sincerely,

Douglas K. Smith
Superintendent
Glenburn School Department
